BOB TURNER RETIRES FROM FLOOD PROTECTION AUTHORITY

ASSUMES NEW LEADERSHIP ROLE WITH NEW ORLEANS SEWERAGE AND WATER BOARD

New Orleans, LA – “Bob has a wealth of knowledge that will help further the good work of the Sewerage and Water Board (SWBNO). We will certainly miss his wisdom and guidance, but I wish him nothing but success in this next chapter in life,” said Flood Protection Authority Board President, Joe Hassinger. Wednesday Mr. Turner announced his retirement from the Flood Protection Authority and will serve as the new General Superintendent of the SWBNO where he has been under contract since August 2017.

Turner has a rich history with the Flood Protection Authority with more than 35 years of experience as a Professional Civil Engineer. Prior to that he was the Executive Director of the Lake Borgne Basin Levee District and served as the Director of Public Works for St. Bernard Parish.

Additionally, he served as the Louisiana State representative on the National Committee on Levee Safety and served on the National Association of Flood and Stormwater Management Agencies (NAFSMA) Board of Directors.

The Flood Protection Authority would like to wish Bob a happy retirement and success on his new role with the Sewerage and Water Board.
