Lakeshore Drive Closed Due to Flooding

New Orleans, LA – Hurricane Sally continues to track eastward, but the effects of the storm are still very present in our area. We will continue to keep Lakeshore Drive closed as the roadway has become inundated with water. Due to safety concerns we ask the public to please avoid this area until the water recedes and the roadway reopens. Orleans Levee District Police officers will be in the area and street barricades will remain to prevent any vehicle entry. We will make an announcement when the roadway will reopen.

Please be sure to sign up for gate closure alerts and updates via the FPA-East Everbridge Alerts System. Text “FLOODGATE” to 333111 or visit www.floodauthority.org for more information.
