Large Crowds Expected on Lakeshore Drive for Mother's Day Weekend

New Orleans, LA – Mother's Day is one of the busiest days of the year for the New Orleans Lakefront. The Flood Protection Authority-East welcomes everyone to come and enjoy the beautiful recreational areas on Lakeshore Drive. In preparation for the celebration, the FPA-East would like to provide the following information:

- Safety is the FPA-East's number one priority
- All necessary steps will be taken to provide citizens the ability to enjoy the Lakefront safely
- Orleans Levee District Police officers will make every effort to keep access to the Lakefront open. However, if heavy traffic congestion arises on Lakeshore Dr., police may have to temporarily limit access at the intersections of Canal Blvd. & Allen Toussaint Blvd., Marconi Dr. & Allen Toussaint Blvd. and St. Bernard Ave. & Allen Toussaint Blvd.
- As soon as traffic congestion on Lakeshore Dr. improves, those access points will immediately be reopened.

The FPA-East wishes everyone a happy and safe Mother's Day.
