

Southeast Louisiana Flood Protection Authority - East

Request for Qualifications for Geotechnical Engineering Services for the SLFPA-E

Addendum No. 1

June 22, 2022

Questions / Answers

Q: The RFQ states that: At least one of the principals of the firm(s) must be licensed or registered by the appropriate Louisiana licensing or professional board.

Could you please clarify whether the prime contractor is required to have a PE licensed in LA or if a team with a subcontractor with an LA PE would suffice?

A: This requirement applies to the prime contract holder.
