

Southeast Louisiana Flood Protection Authority - East

Request for Statement of Qualifications – Monitoring Disaster Debris

(RFQ 2024-002)

Addendum No. 1 **June 14, 2024** **Questions / Answers**

1. **Question:** Would the Authority consider removing the railroad insurance provisions within the General Insurance Requirements? Because of the standby or as-needed nature of the requested services and the unknown location of where debris removal monitoring work will take place, railroad provisions are not considered industry standard.

FPA Response: Railroad insurance will not be required.

2. **Question:** Would the Authority consider extending the due date given the need for further insurance clarification?

FPA Response: The due date has been extended to **July 3, 2024**. Qualification packages must be submitted in a sealed envelope or box that must be clearly labeled “Monitoring Disaster Debris Request for Qualifications (RFQ 2024-002)” prior **3:00 pm CDT Wednesday July 3, 2024**. Please provide five (5) originals and one (1) digital copy of the submittal by hand delivery or mail to:
