SOUTHEAST LOUISIANA FLOOD PROTECTION AUTHORITY – EAST REQUEST FOR QUALIFICATIONS

The Southeast Louisiana Flood Protection Authority – East (Authority) invites interested firms qualified to provide **Support Services (Architectural)** to submit Statements of Qualifications. The Authority intends to award one or more indefinite delivery, indefinite quantity (ID-IQ) contract(s) for services associated with various facilities projects.

Southeast Louisiana Flood Protection Authority - East is an Equal Opportunity Employer. We encourage participation of Small and Minority/Women Owned Businesses as prime consultants or as sub-consultants on projects under the jurisdiction of the Authority. We rely on the Louisiana Department of Transportation and Development's list of DBE firms in determining whether a firm meets DBE requirements.

Firms will be evaluated based upon professional qualifications of the firm and individuals within the firm assigned to the project, specialized experience and technical competence in similar projects within the past five years, capacity to complete the work, location of offices and past performance on contracts with government agencies and private industry. A short list of qualified firms may be developed and oral interviews may be requested at the discretion of the Authority.

Additional information pertaining to **minimum qualifications, scope of work, required form of the submittal, and selection criteria** can be found on the Authority's web site at www.floodauthority.org under the Business tab – Procurement – RFQ. Questions regarding this RFQ should be submitted in writing to Mr. Ryan Foster, P.E., SLFPAE at rfoster@floodauthority.org no later than 4:00 pm on **Wednesday, September 18, 2024**. All submitted questions along with the Authority's responses will be posted on the Authority's website no later than **4:00 PM on Monday, September 23, 2024**.

The submittal documents must be delivered in a sealed envelope or box that must be clearly identified on the outside as “**Statement of Qualifications for Support Services (Architectural)**”. Provide six originals as well as an electronic copy CD / Thumbdrive of the submittal documents **prior to 3:00 pm CDT on Friday, October 4, 2024** by hand delivery or mail to:

RFQ For Support Services (Architectural) For the SLFPA-E

Minimum Qualifications, Scope of Services, Submittal Requirements, and Selection Criteria

INTRODUCTION

The Southeast Louisiana Flood Protection Authority – East (Authority) is requesting submittal of qualification statements from qualified firms interested in performing these architectural / engineering services for SLFPA-E. Firms that provide some but not all of the services listed in the scope of services are encouraged to form teams with other qualified firms.

MINIMUM QUALIFICATIONS

All firms or teams of Prime and Subconsultant firms selected for this project must meet the following minimum Qualifications:

1. At least one of the principals of the firm(s) must be professionally competent in the field or fields of expertise required for the project.
2. At least one principal or responsible member of the firm(s) shall have had a minimum of five (5) years' experience in responsible charge of the field or fields involved.
3. At least one of the principals of the firm(s) must be licensed or registered by the appropriate Louisiana licensing or professional board.

SCOPE OF SERVICES

The services to be provided may include but are not limited to (please indicate scope items Consultant is submitting for :

1. Architectural / Interior Design;
2. Architectural Space Programming;
3. Renovation / New Construction;
4. Roof Consulting and Design, Evaluations, Warranty Claim Management;
5. Fire Code / Fire Marshal compliance, Life Safety Reviews and Recommendations;
6. Post Storm Inspection and Assessment of Facilities;
7. Attending meetings with federal, state and local government

agencies as well as SLFPAE committee and board meetings as needed.

The Contract executed between the Authority and the successful firm(s) or team of Prime and Subconsultant firms will be for a term of 3 years. The Contract will be Task Order driven. Task Orders may be written on a reimbursement “Not to Exceed” basis. The services provided under the contract shall be billed based on negotiated rates for each anticipated staff classification times the number of hours worked on the Task per classification. Billings may not exceed the agreed upon “Not to Exceed” price specified in the Task Order.

Task Orders may also be written based off of a fixed lump sum price determined by a construction cost determined fee curve amount.

Sub-Contracting: It is the intent of the IDIQ Contracts and thus the individual Task Orders that a minimum of 51% of work be performed by the prime consultant. Subconsultant team members must also meet the minimum qualifications in one or more service disciplines as outlined above and be able to meet the SLFPA-E minimum insurance requirements.

SUBMITTAL

The submittal must include a cover sheet, a signed transmittal letter and **single** fully completed Standard Form 330. Minimum Font size shall be 12 pt.

1. Cover Sheet

The following information should be included on a cover sheet under the title **“Statement of Qualifications for Support Services (Architectural)”**:

- i. Name of Respondent;
- ii. Respondent address;
- iii. Respondent telephone number;
- iv. Respondent federal tax identification number; and
- v. Name, title address, telephone number, fax number, and email address of contact person authorized to contractually obligate the Respondent on behalf of the Respondent.

2. Transmittal Letter

By signing the letter, the Respondent certifies that the signatory is authorized to bind the Respondent. The letter should include:

- i. A brief statement of the Respondent’s understanding of the scope of the work to be performed;
- ii. A confirmation that the Respondent meets the minimum requirements specified in the **MINIMUM QUALIFICATIONS** section above;

- iii. A confirmation that the Respondent meets the appropriate state licensing requirements to practice in the State of Louisiana;
- iv. A confirmation that the Respondent has not had a record of substandard work within the last five years;
- v. A confirmation that the Respondent has not engaged in any unethical practices within the last five years;
- vi. A confirmation that, if awarded the contract, the Respondent acknowledges its complete responsibility for the entire contract, including payment of any and all charges resulting from the contract;
- vii. Any other information that the Respondent feels appropriate; and
- viii. The signature of an individual who is authorized to make offers of this nature in the name of the Respondent submitting the proposal.

3. Standard Form 330

Respondents must include a fully completed and signed SF 330. A link to electronic versions of SF 330 is provided below:

[Standard Form 330 - Architect-Engineer Qualifications \(gsa.gov\)](https://www.gsa.gov/standard-form-330-architect-engineer-qualifications)

The SF 330 must include pertinent information for the prime contractor and all key subcontractors that make up the proposed team. An Organizational Chart of the proposed team must be included as an attachment after Section C. It shall show the names and roles of all key personnel listed in Section E and the firm they are associated with as listed in Section C.

The brief description provided for key personnel in Section E shall include information describing the individual's **specific roles and responsibilities** on the projects listed. If roles and responsibilities are not **clearly and accurately** presented then the individual will not be given credit for experience on the referenced project.

Example / Relevant Projects listed in Section F shall also include information on Firm's **specific role** (also specify Prime or Subcontractor) **and design responsibility** on each project listed. If role and responsibility are not **clearly and accurately** presented then the project will not be considered or evaluated as part of relevant experience.

Use Section H of the SF330 (limit of 10 pages) to provide information demonstrating past performance on contracts with Government agencies and private industry, and any other pertinent information you wish to include with the submittal. Since Section H of the SF 330 is limited to 10 pages firms are not required to include information regarding scope of work items 6, meeting with state, federal and local. By submitting an SF 330 the respondents acknowledge these items are included in the scope of work and are willing to perform these services when required.

SELECTION CRITERIA

The Authority will evaluate each respondent in terms of their:

1. Professional qualifications necessary for satisfactory performance of required services;
2. Specialized experience and technical competence in similar work within the past five years;
3. Capacity to accomplish the work in the required time;
4. Location of principal office where work will be performed; and
5. Past performance on contracts with Government agencies and private industry in terms of cost control, quality of work, and compliance with performance schedules.

The maximum point score associated with each criteria is indicated in the table below:

CRITERIA	Maximum Point Score
Professional Qualifications	25
Specialized Experience and Technical Competence	35
Capacity	10
Location	5
Past Performance	25
TOTAL	100

The Authority, at its discretion, may select the highest scoring firm(s) to enter into contract negotiations, or may conduct oral interviews with several of the highest scoring firms. Then, as a result of the SOQ evaluation and the interviews, the Authority will determine which firm(s) will be selected to enter into contract negotiations. Unsuccessful firms will be notified as soon as practical. Please see Appendix A for further information regarding evaluation and selection processes.

Questions regarding this RFQ should be submitted in writing to Mr. Ryan Foster P.E., SLFPA-E at rfoster@floodauthority.org no later than 4:00 pm on **Wednesday, September 18, 2024**. All submitted questions along with the Authority's responses will be posted on the Authority's website no later than 4:00 PM on **Monday, September 23, 2024**.

The submittal documents must be delivered in a sealed envelope or box that must be clearly identified on the outside as "**Statement of Qualifications for Support Services (Architectural)**". Provide six originals as well as an electronic copy CD / Thumbdrive of the submittal documents **prior to 3:00pm CDT on Friday, October 4, 2024** by hand delivery or mail to:
